

Rangeland Productivity and Plant Composition

United States

[Only the soils that support rangeland vegetation suitable for grazing are rated. This report shows only the major soils in each map unit]

| Map symbol and soil name | Ecological site | Total dry-weight production | | | Characteristic vegetation | Rangeland composition |
|--------------------------|------------------------------------|-----------------------------|-------------|------------------|--|---|
| | | Favorable year | Normal year | Unfavorable year | | |
