## **Rangeland Productivity and Plant Composition**

### **United States**

[Only the soils that support rangeland vegetation suitable for grazing are rated. This report shows only the major soils in each map unit]

| Map symbol<br>and soil name | Ecological site               | Total dry-weight production |                |                     | Characteristic vegetation    | Rangeland   |
